Secretary Kobach addressed questions from the committee:

Representative Mah would like to see the percentage of new registrations that occur in election offices versus schools, malls, nursing homes, etc. - Secretary Kobach will follow up with this information.

Representative Ruben asked if moving the deadlines for the primary election might result in timing problems with the MOVE Act. Secretary Kobach said that this would need to be taken into consideration when changing the deadline.

Representative McCray-Miller voiced concerns about the low level of voter participation since 1992. Secretary Kobach agreed that this is a problem that needs to be addressed.

Representative Gregory thought it might be helpful to have a Constitutional Bee, similar to a Spelling Bee, to stimulate interest among our young people. She would also like the same information that Representative Mah requested as it relates to the general population of the state. Secretary Kobach will follow up with this information.
