### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Vic Miller are spread upon the Journal:

Mary Glover works for American Medical Response and has been named the EMS Support Person of the Year. She has been serving Kansas EMS for 28 years. Having served as a frontline paramedic, dispatcher, operations supervisor, and administrative assistant, she has been an instrumental part of her service's operations in Kansas and in many ways from compliance with state regulations to quality improvement efforts. Dedicated to EMS excellence, customer service, and quality patient care, Mary has developed an expansive knowledge base of all things EMS from the finer points of Kansas BEMS regulations to the broader developing leadership values of "Just Culture" in an organization.

Over the years, Mary has been instrumental in developing and maintaining numerous sets of Standard Operating Guidelines and Medical Protocols for the EMS agencies she

has supported. Mary took on the goal ensuring her operation achieved accreditation from the Commission on Accreditation of Ambulance Services. With her leadership, AMR secured the maximum three-year accreditation and has since accomplished numerous re-accreditations.

In true EMS fashion, Mary embraces the challenge in serving in an expansive role with many duties. With the familiar attitude of “adapt and overcome,” her flexibility, persistence, experience, and open door has led to the success of many EMTs and paramedics as well as the operations she supports in Kansas.

## **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Murphy are spread upon the Journal:

We are gathered here today to congratulate Eldon Headrick for being named 2022 EMT of the Year by the National Association of Emergency Medical Technicians.

On September 7, 2022, Eldon Headrick was declared the recipient of the highly prestigious NAEMT/Demers-Braun-Crestline-Medix EMT of the Year Award by the National Association of Emergency Medical Technicians. This announcement was made as part of NAEMT's presentation of its 2022 National EMS Awards of Excellence.

Headrick has volunteered as an EMT with Norwich EMS since 2016. He immediately began learning, asking questions and assisting fellow colleagues. He assists Norwich EMS with EMS calls and ensures his work is the same quality service as a full-time paid department member. He reliably meets the challenging needs of Norwich EMS and ardently seeks out training opportunities to learn new skills, techniques and concepts.

Headrick's willingness to serve extends beyond call time by always being the first EMT to pick up extra shifts. He demonstrates strong leadership by ensuring EMS vehicles are ready, equipment is fixed, trucks are washed, the garage is organized and the training closet is clean.

Headrick does not take short cuts and ensures each patient receives the appropriate care with a smile on his face. He further supports Norwich EMS as a community leader by serving on a local government council. He also acts in the role of community educator by teaching Stop the Bleed and CPR trainings.

Headrick continues to foster leadership throughout the department while showing a steadfast devotion to the EMS profession, his colleagues and the surrounding community.

Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we congratulate Eldon Headrick of Norwich EMS for being named 2022 EMT of the Year by the National Association of Emergency Medical Technicians. Eldon Headrick

exemplifies those qualities of leadership and excellence that we associate with the very best of Kansans. We applaud his tenacity and resolve, and we extend our best wishes for his continued success and happiness.
