The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 123 members present.

Rep. Poetter Parshall was excused on verified illness.

Prayer by Chaplain Brubaker:

Our gracious and loving God,  
We thank You for this day that you have given us.  
We thank You for how You have brought us all together  
for the good of this great State.  
In Your wisdom You ask that we work together in unity,  
that we collaborate together, that we cooperate together.  
Each of us have our opinions and our own ideas.  
May we be open to share those with others and  
may we open to those who share with us.  
But when it's all said and done Lord, we come to You.  
We ask for Your wisdom, Your guidance,  
and Your direction.  
This I pray in Your name. Amen.

The Pledge of Allegiance was led by Rep. Johnson.

HOUSE RESOLUTION NO. **HR 6014**—A RESOLUTION commending the United States African-American Burial Grounds Preservation Program and urging the State of Kansas to adopt a similar program.

By Representative Robinson

A RESOLUTION commending the passage of the United States African-American Burial Grounds Preservation Act.

WHEREAS, On December 29, 2022, the United States African-American Burial Grounds Preservation Act was signed into law as part of the Consolidated Appropriations Act of 2023; and

WHEREAS, The program authorizes grants and technical assistance for the identification, preservation and restoration of African-American burial grounds; and

WHEREAS, African-American burial grounds are sacred spaces, which are often located in unknown, unmarked, abandoned or unmaintained locations; and

WHEREAS, African-American civil war soldiers are laid to rest at many African-American burial grounds, where their headstones have tragically been stolen or vandalized; and

WHEREAS, African-American burial grounds are representative of the historic unequal treatment that African-Americans endured from life through death; and

WHEREAS, African-American burial grounds are often discovered before infrastructure developments, leading to halted construction projects and severe emotional distress within local communities; and

WHEREAS, The program provides African-American burial grounds with increased public awareness and crucial grant funding for preservation, especially before development projects catastrophically and irreparably damage these sacred sites; and

WHEREAS, African-American burial grounds serve to honor the Nation's ancestors; and

WHEREAS, Descendants of those buried in African-American burial grounds deserve the right to visit these sites to their pay respects; and

WHEREAS, African-American burial grounds pass the Nation's history from generation to generation; and

WHEREAS, Kansas is home to Old Quindaro Cemetery and other historic African-American burial grounds; and

WHEREAS, Mrs. Loretta Elsenia Norman, Mr. Michael Summers, Mr. Anthony Hope and Mr. Luther Smith are descendants of individuals who utilized the Underground Railroad and are buried at the Quindaro Cemetery: Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we commend the United States African-American Burial Grounds Preservation Program; and

*Be it further resolved:* That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Robinson.

### **PERSONAL PRIVILEGE**

There being no objection, the following remarks of Rep. Robinson are spread upon the Journal:

I rise today in support of House Resolution 6014. This resolution recognizes the United States African American Burial Grounds Preservation Act that was enacted in December of 2022.

This act allows Historic Heritage African American Burial Grounds the opportunity for locations like the Old Quindaro Cemetery to get on the list of the US Department of Interior's National Park Service to provide professional protections to have African American Civil War Veterans' grave markers returned and hopefully properly re-installed at their historical locations and the one that remains to be repaired.

This morning on March 8, 2023, I ask each of you to support this resolution and bring much needed attention and recognition to those working to preserve the Old Quindaro Cemetery and their work in getting new federal funding to preserve and appreciate cherished ancestors from the Great State of Kansas through National Park Service, Department of Interior, and National Trust for Historic Preservation programs.

Today, with the affirmation of approval, these agencies will have the opportunity to prioritize restoration efforts of one of the early sacred spaces of Burial Grounds of African American military veterans, fugitive runaway enslaved Africans who turned their trauma and tragedies into a proud heritage of service in the Civil War as Union Army soldiers.

To try and discuss or detail the historic heritage of the Old Quindaro Ruins and Underground Railroad Abolitionists, the Pompeii of Kansas, at the bend of the Missouri River would exceed the five minutes allotted by the Rules of the House of Representatives. However, you can do an internet search at your leisure, you will discover the history of Kansas' contribution to freedom for all Americans, much of it on display in our own capitol with the John Brown Mural and the soon to be done mural honoring the 1<sup>st</sup> Colored Infantry.

Your decisions and THIS MOMENT were prayed for in advance and beyond: Your decisions are already embedded in our beautiful Statehouse Capitol's chambers, ceilings, and walls.

Honoring our ANCESTORS with simple preservation of African American Burial Grounds scattered throughout the Great Plains of North America among the rolling hills of Kansas that helped cradle and give birth to both: LIBERTY and the Blessed Honored cherished memory to help solidify American Freedom and Civility.

Thank you to the Honorable Speaker of the Kansas House of Representatives, his thoughtful and kind staff, and each and everyone of you who votes for consideration and adoption of this resolution to bring attention to the preservation and restoration of Historic African American burial grounds across the state, and Old Quindaro Cemetery in my district specifically.

#### EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HB 2083**, I believe local control is the best way to deal with this issue and a state wide ban doesn't solve the problem. Let the local city councils and county commissions deal with this issue and let's practice what we preach when it comes to local control. This bill hurts economic development in some communities and my no vote is a vote to support my district and their economic development. – TORY MARIE BLEW

## EXPLANATIONS OF VOTE

MR. SPEAKER: “The Congress, whenever two thirds of both Houses shall deem it necessary, shall propose Amendments to this Constitution, or, on the Application of the Legislatures of two thirds of the several States, shall call a Convention for proposing Amendments.”

We voted against **HCR 5005** because we are not confident that it will do what some people claim and reel in Congress. If the required number of states pass an Article V resolution it will be Congress who calls the convention and makes the rules. There are too many unanswered questions now about how it will work and we do not want to bet our Constitution to find out. We vote No on **HCR 5005**. – MARI-LYNN POSKIN, KEN COLLINS

MR. SPEAKER: I vote in favor of **HCR 5005**. If you are basing your vote on a fear that there are “no rules” or that we can’t afford to open the Constitution, you aren’t paying attention to the “new” Constitution you receive every biennium. It’s opened and changed every year. I vote in favor of **HCR 5005**. – ERIC SMITH

MR. SPEAKER: I understand the desire for Congressional term limits. However, while Article V provides for Congress to call a convention for proposing amendments it contains no mechanism to limit the convention’s scope, the appointment of delegates, nor the rules of the convention.

We do not know when a convention would occur, who will control congress, nor the issues they will face. **HCR 5005** would place our Constitution in the hands of unknown individuals with unknown motivation at some unknown time in the future.

I vote no on **HCR 5005**. – CARL MAUGHAN

MR. SPEAKER, I vote “NO” on **HCR 5005**. President Ronald Reagan said, “Government is not a solution to our problem, government is the problem.” We do not need to AMEND the Constitution of the United States of America, we need to DEFEND the Constitution of the United States of America. The powers and authority need to be placed back into the hands of “*We the People*,” not into the clutches of a few greedy debased tyrants. We need less government, not more of it. We need to stand for Life, Liberty, and the Pursuit of Happiness and most importantly, *we as a Nation need God in America again!* – TREVOR JACOBS, MIKE HOUSER, JEFF UNDERHILL, KEN CORBET, CHARLES E. SMITH

Mr. Speaker: I vote no on HCR 5005, I prefer to vote for an alternate resolution – Susan Estes
