Here are additional details from AllSigns if you need them:

For four plaques, 3" x 12", installed in the rotunda, the total cost would be \$1,497.00 + tax. (The Hays CVB will cover this cost.)

The plaques are solid cast bronze, 5/16" thick, no raised border, raised text with a satin brushed finish, background is a stipple texture with a dark oxide bronze finish (see attached).

Production time is approximately 4 weeks from approval of proofs.

Please let me know if you need anything else from me. I wish I could be there, but I am committed to a panel at a conference in Newton on Thursday!
Thank you for all your help,
Melissa
