Mr. Chair, Members of the Committee,

KASB appears today in opposition to HB 2238.

Our legislative policies, reaffirmed by our membership in November, 2022, state:

We support the KSHSAA's responsibility for the oversight of student interscholastic activities, which enhance students' academic achievement and postsecondary success.

The KSHSAA has a policy addressing the participation of transgender athletes on sports teams and it appears to be working well. As a result, this bill appears to us to be unnecessary.

Thank you.

KASB is a non-profit service organization built on an abiding belief in Kansas public schools. We have put the needs of students and K-12 leaders first since 1917.
