

## HB 2517—Summary

HB 2517 amends a provision of the campaign finance act dealing with the crime of corrupt political advertising to delete the requirement of listing the name of the treasurer of the sponsoring organization of the advertisement.

This amendment apparently was intended to be part of a conference committee report amending this section of the law in 2018. There was a difference of opinion among some members of the conference committee and it was left out of the report.
