36 (3) report any information to the department of revenue or any other
37 government agency that is not otherwise required by law.

38 (b) No financial institution shall be responsible or liable for:

42 (2) determining or ensuring that moneys in the account are used for
43 eligible expenses; or

1 (3) reporting or remitting taxes or penalties related to the use of
2 account moneys.

3 (c) A financial institution may rely on such financial institution's
4 account records for determining a payable on death beneficiary for a first-
5 time home buyer savings account. If the payable on death beneficiary in a
6 financial institution's account records conflicts with the designated
7 beneficiary on any form required by the secretary under the first-time
8 home buyer savings account act, the payable on death beneficiary in such
9 financial institution's account records shall control.

10 Sec. 4. K.S.A. 2022 Supp. 79-32,117 is hereby amended to read as
11 follows: 79-32,117. (a) The Kansas adjusted gross income of an individual
12 means such individual's federal adjusted gross income for the taxable year,
13 with the modifications specified in this section.

14 (b) There shall be added to federal adjusted gross income:

15 (i) Interest income less any related expenses directly incurred in the
16 purchase of state or political subdivision obligations, to the extent that the
17 same is not included in federal adjusted gross income, on obligations of
18 any state or political subdivision thereof, but to the extent that interest
19 income on obligations of this state or a political subdivision thereof issued
20 prior to January 1, 1988, is specifically exempt from income tax under the
21 laws of this state authorizing the issuance of such obligations, it shall be
22 excluded from computation of Kansas adjusted gross income whether or
23 not included in federal adjusted gross income. Interest income on
24 obligations of this state or a political subdivision thereof issued after
25 December 31, 1987, shall be excluded from computation of Kansas

41 included in income in the year actually received regardless of the method
42 of accounting used by the taxpayer. For purposes hereof, a tax benefit shall
43 be deemed to have resulted if the amount of the tax had been deducted in

1 determining income subject to a Kansas income tax for a prior year
2 regardless of the rate of taxation applied in such prior year to the Kansas
3 taxable income, but only that portion of the refund shall be included as
4 bears the same proportion to the total refund received as the federal taxes
5 deducted in the year to which such refund is attributable bears to the total

26 the amount of any costs incurred for habitat management or construction
27 and maintenance of improvements on real property, claimed for deduction
