Dear Chair & members of the committee,

I oppose bill HB 2061. This bill would decrease state revenues by \$1.5 billion and severely reduce the state education budget which is already not fully funding special education.

This bill also favors wealthy Kansans and places a heavier burden on lower income Kansans.

Our state finally has a health budget and a real opportunity to support the people of Kansas by eliminating the food sales tax and fully funding special education. This where your attention should be focused.

Please vote no on Bill HB 2061.
