

Matt Rehder  
City Administrator  
City of Iola  
SB248 Opponent

Please accept this email as written testimony in opposition to SB 248. City staff estimates revenue loss of over \$350,000 should this bill pass. To make that amount up, we estimate a mill increase of at least 11 mills. Further, local sales taxes are approved by voters to fund government operations, and exempting them undercuts the will of local voters.

Thank you for your time--
