**Testimony to the House Transportation Committee
In Support of HB2346
February 14, 2023**

Chairman Francis and Committee Members,

Our associations support HB2346 creating the “Back the Blue” license plate. Support for our law enforcement officers is important. The creation of this license tag will demonstrate that support.

The funding going to the “Local Law Enforcement Training Reimbursement Fund” will also reinforce the local training through our local certified law enforcement academies.

We encourage you to move this bill forward favorably.
