MEMORANDUM

To: House Committee on Transportation
From: Office of Revisor of Statutes
Date: February 14, 2023
Subject: Bill Brief – HB 2360

HB 2360 eliminates the requirement to include a county designation on license plates. K.S.A. 8-147 requires a license plate to have a decal that provides the county designation of the county where the vehicle was registered. The bill would strike any reference in the motor vehicle registration law requiring the county designation to be included on a license plate and strike any related references. The bill provides other technical corrections to these statutes to conform to more modern drafting practices.
