Testimony on HB 2760

2/13/2024

Chairman Ellis and members of the committee

House bill 2760 Changes the name in statute of the “commission on veterans affairs” to the “Office of Veterans Services.”

This name change was necessitated by the change in role of the commission over time. It has been tasked currently duties that are more accurately reflected in the name of Veteran’s Services.

Submitted to the Committee of Veterans and Military

By Scott Hill
