

Chairwoman Tyson and the Senate Taxation committee:

I am Col RET Lynn Rolf of Leavenworth and I am testifying today as a proponent of HB 2036 and I urge you to pass it out of this committee as amended.

Brief statement:

I am 100% disabled so I do not need the tax/property tax break. But I sure do think we as a state that does far less for our veterans as surrounding states we ought to do more to show our support and this bill for those struggling does that.

Pls consider supporting this and maybe we can help those that fought for your freedom.

Thank you.
