

BEFORE THE KANSAS SENATE UTILITIES COMMITTEE

TESTIMONY by SUSAN EVERY TABOR re. SENATE BILL 284

PROPONENT WRITTEN TESTIMONY ONLY

I am writing to request your support for SB-284, the Blind Access Information Act.

NFB Newsline provides access to a wide variety of Kansas-area and national newspapers. It also provides access to a wide variety of magazines and retail advertisements.

I really appreciate the robustness and diversity that Newsline offers. As a Kansas resident engaged in my local community, I love having access to area and national newspapers for reference and information. The broad selection of magazines is informative and engages my intellect and curiosity. The retail advertising helps me to be an informed shopper.

Thank you in advance for your support for this important program.

Warmest Regards,

Susan E. Tabor, LSCSW, Ret.,
