

Kansas Senate Utilities committee

S.B. 284

Proponent testimony of Sharon Luka

Saline County Kansas

Written testimony only

Mr. chairman and committee members:

Please vote yes on the above referenced bill, Senate Bill 284.

I utilize NFB Newsline to access local newspapers, national magazines, and children's literature.

I also use it for volunteer reading.

Newsline allows me to note event dates and locations, inform other residents of happenings, and to learn proper spellings of names and places.

This strengthens my general awareness, education and independence.

Thank you for this opportunity to testify on this major matter.
