
Certified Community Behavioral Health Clinics

What is a CCBHC?

A Certified Community Behavioral Health Clinic (CCBHC) is a specially-designated clinic that provides a comprehensive range of mental health and substance use services.

- National Council on Mental Wellbeing

What are CCBHCs Providing

CCBHCs represent an opportunity for states to improve the behavioral health of their citizens by:

- Providing community-based mental and substance use disorder services.
- Advancing integration of behavioral health with physical health care.
- Integrating and utilizing evidence-based practices on a more consistent basis.
- Promoting improved access to high quality care.

Individuals Served at CCBHCs

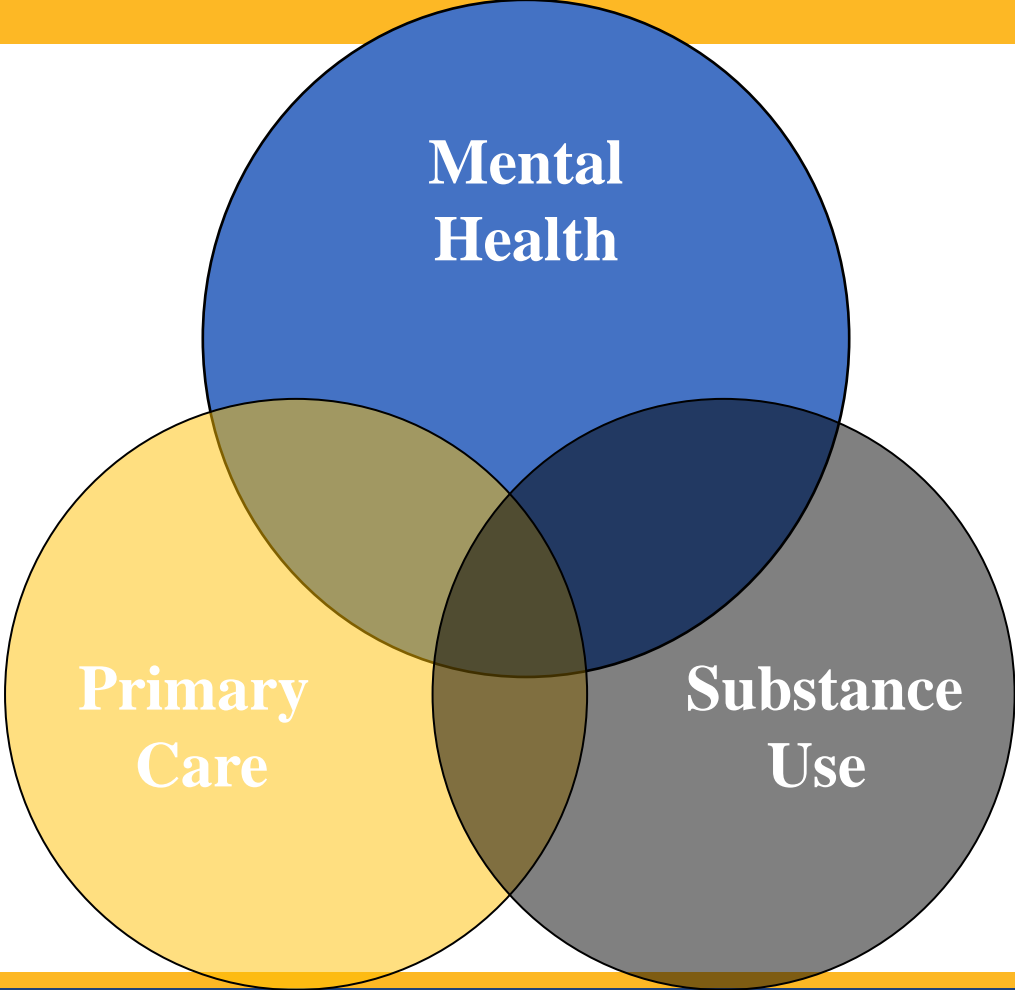

ALL who seek help!

Particularly valuable to individuals with:

- Individuals with Serious Mental Illness (SMI)
- Children and adolescences with Serious Emotional Disturbance (SED)
- Severe Substance Use Disorders (SUD)

Integrated Care Model

Prospective Payment System

Prospective Payment System (PPS): Method of reimbursement in which Medicaid payment is based on a predetermined, fixed amount.

$$\frac{\text{Annual Allowable Costs}}{\text{Annual Daily Visits}} = \text{PPS Rate}$$

Agencies Involved in Care Coordination Activities
