6 *Be it enacted by the Legislature of the State of Kansas:*

7 Section 1. K.S.A. 65-6008 is hereby amended to read as follows: 65-

9 enforcement employee or juvenile correctional facility staff comes in  
10 contact with or otherwise is exposed to transmission of body fluids from  
11 one or more other persons while performing duties within the scope of  
12 such employee's duties as an employee, the head of the employing agency  
13 or entity, *or the agency or entity head's designee*, may make application to  
14 a court of competent jurisdiction for an order requiring such other person  
15 or persons to submit to infectious disease tests.

16 (b) Such application shall include an allegation that the person or  
17 persons sought to be tested have been requested to submit voluntarily to  
18 infectious disease tests and have refused the tests. When any such  
19 application is received, the court shall *promptly* hold a hearing ~~forthwith~~  
20 and shall issue its order thereon immediately if the court finds that:

21 (1) There is probable cause to believe that the employee involved has  
22 come in contact with or otherwise has been exposed to transmission of the  
23 body fluids of the person or persons sought to be tested; and

24 (2) the person or persons sought to be tested have been requested to  
25 submit to the tests and have refused, unless the court makes a further  
26 finding that exigent circumstances exist which, in the court's judgment,  
27 would excuse the applicant from making such a request.

28 (c) If an infectious disease test ordered pursuant to this section results  
29 in a negative reaction, the court shall order the person tested to submit to  
30 another infectious disease test six months from the date the first test was  
31 administered.

32 (d) The results of any infectious disease test ordered pursuant to this  
33 section shall be disclosed to the court ~~which~~ *that* ordered the test, the  
34 employee and the person tested. If an infectious disease test ordered  
35 pursuant to this section results in a positive reaction, the results shall be  
36 reported to the employee.

1       Sec. 2.   K.S.A. 65-6008 is hereby repealed.
