all school districts, *community colleges* and all students of nonpublic schools—and community colleges in proportion to the amount each school district *or community college* and each student of a nonpublic school—or community college is entitled to receive. No moneys in the state safety fund shall be used for any purpose other than that specified in this subsection or for the support of driver improvement programs. The state board of education shall prescribe all forms necessary for reporting in connection with this act. The funds shall be distributed on or before November 1 each year.

(b) (1) Any school district conducting an approved course in motorcycle safety as a part of an approved course in driver training, any student attending a nonpublic school accredited by the state board of education conducting an approved course in motorcycle safety as a part of an approved course in driver training or any community college conducting an approved course in motorcycle safety shall be entitled to participate in the motorcycle safety fund created by K.S.A. 8-267, and amendments thereto. The state board of education may establish, by rules and regulations, standards for the conduct, operation and approval of courses in motorcycle safety and for the qualifications of instructors for such courses conducted by a school district or nonpublic accredited school. Such standards shall not include the requirement that instructors be licensed by the state board of education. In August of each year, the superintendent of each school district or the governing authority of each nonpublic school shall report to the state board of education the number of students who have been in attendance for a complete course in motorcycle safety as a part of the driver training course conducted by such school district or nonpublic school during the past school year. The state board of education shall certify to the director of accounts and reports the amount due each school district and each student of a nonpublic school entitled to payment under this subsection. The director of accounts and reports shall draw warrants on the state treasurer payable to the treasurer of each school district and to each student of a nonpublic school entitled to payment under this subsection upon vouchers approved by the state board and shall cause such warrants to be delivered to the respective school districts and nonpublic schools. If the amount appropriated in any year from the motorcycle safety fund shall be insufficient to pay the full amount each school district and each student of a nonpublic school is entitled to receive under this subsection, then the entire amount appropriated for such year shall be prorated among all school districts and all students of nonpublic schools in proportion to the amount each school district and each student of a nonpublic school is entitled to receive. No moneys in the motorcycle safety fund shall be used for any purpose other than that specified in this subsection or for the support of motorcycle driver improvement programs.

- (2) Any community college conducting an approved course in motorcycle safety shall be entitled to participate in the motorcycle safety fund created by K.S.A. 8-267, and amendments thereto. The department of revenue may establish, by rules and regulations or by public declaration of the director of vehicles, standards for the conduct, operation and approval of courses in motorcycle safety and for the qualifications of instructors for such courses conducted by a community college. In August of each year, the chief administrative officer of each community college shall report to the state board of regents and the department the number of students who have been in attendance for a complete course in motorcycle safety as a part of the driver training course conducted by such community college during the past school year. The state board of regents shall certify to the director of accounts and reports the amount due each community college entitled to payment under this subsection. The director of accounts and reports shall draw warrants on the state treasurer payable to the treasurer of each community college entitled to payment under this subsection upon vouchers approved by the state board of regents and shall cause such warrants to be delivered to the respective community colleges. If the amount appropriated in any year from the motorcycle safety fund shall be insufficient to pay the full amount each community college is entitled to receive under this subsection, then the entire amount appropriated for such year shall be prorated among all community colleges in proportion to the amount each community college is entitled to receive. No moneys in the motorcycle safety fund shall be used for any purpose other than that specified in this subsection or for the support of motorcycle driver improvement programs or department administration. The department, in consultation with the state board of regents, shall prescribe all forms necessary for reporting in connection with this act. The funds shall be distributed on or before November 1 each year.
 - (c) (1) As used in this subsection, "institution" means a technical school affiliated with a public university in this state, a technical college or community college.
 - (2) Any institution conducting an approved course in truck driving shall be entitled to participate in the truck driver training fund created by K.S.A. 8-267, and amendments thereto. The department may establish, by rules and regulations or by public declaration of the director of vehicles, standards for the conduct, operation and approval of courses in truck driver training and for the qualifications of instructors for such courses. Such standards shall not include the requirement that instructors be certificated by the state board of regents. Courses in truck driver training

1 for an interstate commercial class license shall also comply with the 2 Kansas uniform commercial drivers' license act. In August of each year, 3 the chief administrative officer of each participating institution shall report 4 to the state board of regents and the department the number of students 5 who have been in attendance for a complete course in truck driver training 6 conducted by such institution during the past school year. The state board 7 of regents shall certify to the director of accounts and reports the amount 8 due each institution entitled to payment under this subsection. The director 9 of accounts and reports shall draw warrants on the state treasurer payable 10 to the treasurer of each institution entitled to payment under this subsection upon vouchers approved by the state board of regents and shall 11 12 cause such warrants to be delivered to the respective institution. If the 13 amount appropriated in any year from the truck driver training fund shall be insufficient to pay the full amount each institution is entitled to receive 14 15 under this subsection, then the entire amount appropriated for such year 16 shall be prorated among all participating institutions in proportion to the 17 amount each institution is entitled to receive. No moneys in the truck 18 driver training fund shall be used for any purpose other than that specified 19 in this subsection or for the support of truck driver training programs and 20 department administration. The department, in consultation with the state 21 board of regents, shall prescribe all forms necessary for reporting in 22 connection with this act. The funds shall be distributed on or before 23 November 1 each year.

- Sec. 2. On and after July 1, 2023, K.S.A. 2022 Supp. 74-32,267 is hereby amended to read as follows: 74-32,267. (a) There is hereby established the AO-K to work program. The provisions of this program shall apply to all adult education programs in the state.

- (e) Each application to the state board of regents for issuance or duplication of a Kansas high school equivalency credential shall be accompanied by a fee, which shall be established by the state board of regents in an amount of not more than \$25. On or before June 1 of each year, the state board of regents shall determine the amount of revenue that will be required to properly administer the provisions of this section during the next ensuing fiscal year and shall establish the Kansas high school equivalency credentials processing fee for such year in the amount deemed necessary for such purposes. Such fee shall become effective on the succeeding July 1 of each year. The state board of regents shall remit all moneys received by or for it from Kansas high school equivalency credentials processing fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the Kansas high school equivalency credential processing fees fund, which fund is hereby established in the state treasury, and shall be used only for the payment of expenses connected with the processing, issuance, or duplication of Kansas high school equivalency credentials, and for the keeping of records by the state board of regents. All expenditures from the Kansas high school equivalency credential processing fees fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the state board of regents or by a person or persons designated by the state board.
 - (f) The state board of regents may adopt rules and regulations to implement and administer the provisions of this act.
 - Sec. 3. On and after July 1, 2023, K.S.A. 74-32,434 is hereby amended to read as follows: 74-32,434. (a) (1) Any eligible postsecondary educational institution may certify to the board of regents:
 - (A) The number of individuals who received a general educational development (GED) *or high school equivalency (HSE)* credential from such institution while enrolled in an eligible career technical education program;
 - (B) the number of individuals who received a career technical education credential from such institution; and
 - (C) the number of individuals who were enrolled in an eligible career technical education program at such institution and who are pursuing a general educational development (GED) *or high school equivalency (HSE)* credential.
 - (2) Certifications submitted pursuant to this subsection shall be submitted in such form and manner as prescribed by the board of regents, and shall include such other information as required by the board of

regents.

- (b) Each fiscal year, upon receipt of a certification submitted under subsection (a), the board of regents shall authorize payment to such eligible postsecondary educational institution from the postsecondary education performance-based incentives fund. The amount of any such payment shall be calculated based on the following:
- (1) For each individual who has received a general educational development (GED) *or high school equivalency (HSE)* credential, \$500;
- (2) for each individual who has received a career technical education credential, \$1,000; and
- (3) for each individual enrolled in an eligible career technical education program who is pursuing a general educational development (GED) or high school equivalency (HSE) credential, \$170.
- (c) That portion of any payment from the postsecondary education performance-based incentives fund that is made based on subsection (b)(2) shall be expended for scholarships for individuals enrolled in an eligible career technical education program and operating costs of eligible career technical education programs. Each eligible postsecondary educational institution shall prepare and submit a report to the board of regents—which shall include that includes the number of individuals who received scholarships, the aggregate amount of moneys expended for such scholarships and the number of those individuals who received a scholarship that also received a career technical education credential.
- (d) (1) Of that portion of any payment from the postsecondary education performance-based incentives fund that is made based on subsection (b)(3), an amount equal to \$150 for each individual shall be expended by the eligible postsecondary educational institution for the general educational development (GED) test.
- (2) If any individual enrolled in an eligible career technical education program for which an eligible postsecondary educational institution has received a payment under this section fails to take the general educational development (GED) test, then such institution shall notify the board of regents in writing that no such test was administered to the individual. For each such notification received, the board of regents shall deduct an amount equal to \$150 from such institution's subsequent incentive payment.
- (e) All payments authorized by the board of regents pursuant to this section shall be subject to the limits of appropriations made for such purposes. If there are insufficient appropriations for the board of regents to authorize payments in accordance with the amounts set forth in subsection (b), the board of regents shall prorate such amounts in accordance with appropriations made therefor.
 - (f) There is hereby created the postsecondary education performance-

based incentives fund. Expenditures from the postsecondary education performance-based incentives fund shall be for the sole purpose of paying payments to eligible postsecondary educational institutions as authorized by the board of regents. All expenditures from the postsecondary education performance-based incentives fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the president of the board of regents, or the president's designee.
