6 *Be it enacted by the Legislature of the State of Kansas:*

7 Section 1. K.S.A. 41-511 is hereby amended to read as follows: 41-
8 511. (a) Every express company or other common carrier that delivers any
9 alcoholic liquors from outside the state for delivery in the state to
10 consumers shall prepare and file monthly with the director of alcoholic
11 beverage control a report of known alcoholic liquors shipped by such
12 carrier. The report shall contain: (1) The name of the express company or
13 other common carrier that delivers the alcoholic liquors; (2) the period of
14 time covered by the report; (3) the name and business address of the
15 consignor of such alcoholic liquors; (4) the weight of the package
16 delivered to each consignee; (5) a unique tracking number; and (6) the date
17 of delivery. Except as provided for in subsection (d), all reports submitted
18 pursuant to this subsection shall be open records available for public
19 inspection in accordance with the open records act.

20 (b) Upon request by the director, any additional records supporting
21 the report shall be made available to the director by any express company
22 or other common carrier. Any records containing information relating to
23 such reports shall be kept and preserved for a period of two years unless
24 the destruction of such records is authorized in writing by the director.

25 (c) Any express company or other common carrier that willfully fails,
26 neglects or refuses to file any report pursuant to subsection (a) shall be
27 subject to a civil penalty of not more than \$500.

28 (d) If any of the reports required by subsection (a) include any
29 information relating to the name or address of a consignee of any alcoholic
30 liquors, such information shall be redacted from the reports that are made
31 available for public inspection. ~~The provisions of this subsection providing
32 for the confidentiality of certain public records shall expire on July 1,
33 2024, unless the legislature reviews and reenacts such provisions in
34 accordance with K.S.A. 45-229, and amendments thereto, prior to July 1,~~

1 2024.

2 (e) The provisions of this section shall be a part of and supplemental
3 to the Kansas liquor control act.

4 Sec. 2. K.S.A. 2023 Supp. 45-229 is hereby amended to read as
5 follows: 45-229. (a) It is the intent of the legislature that exceptions to
6 disclosure under the open records act shall be created or maintained only
7 if:

8 (1) The public record is of a sensitive or personal nature concerning
9 individuals;

10 (2) the public record is necessary for the effective and efficient
11 administration of a governmental program; or

12 (3) the public record affects confidential information.

13 The maintenance or creation of an exception to disclosure must be
14 compelled as measured by these criteria. Further, the legislature finds that
15 the public has a right to have access to public records unless the criteria in
16 this section for restricting such access to a public record are met and the
17 criteria are considered during legislative review in connection with the
18 particular exception to disclosure to be significant enough to override the
19 strong public policy of open government. To strengthen the policy of open
20 government, the legislature shall consider the criteria in this section before
21 enacting an exception to disclosure.

22 (b) Subject to the provisions of subsections (g) and (h), any new
23 exception to disclosure or substantial amendment of an existing exception
24 shall expire on July 1 of the fifth year after enactment of the new
25 exception or substantial amendment, unless the legislature acts to continue
26 the exception. A law that enacts a new exception or substantially amends
27 an existing exception shall state that the exception expires at the end of
28 five years and that the exception shall be reviewed by the legislature
29 before the scheduled date.

30 (c) For purposes of this section, an exception is substantially
31 amended if the amendment expands the scope of the exception to include
32 more records or information. An exception is not substantially amended if
33 the amendment narrows the scope of the exception.

34 (d) This section is not intended to repeal an exception that has been
35 amended following legislative review before the scheduled repeal of the
36 exception if the exception is not substantially amended as a result of the
37 review.

38 (e) In the year before the expiration of an exception, the revisor of
39 statutes shall certify to the president of the senate and the speaker of the
40 house of representatives, by July 15, the language and statutory citation of
41 each exception that will expire in the following year that meets the criteria
42 of an exception as defined in this section. Any exception that is not
43 identified and certified to the president of the senate and the speaker of the

1 house of representatives is not subject to legislative review and shall not
2 expire. If the revisor of statutes fails to certify an exception that the revisor
3 subsequently determines should have been certified, the revisor shall
4 include the exception in the following year's certification after that
5 determination.

6 (f) "Exception" means any provision of law that creates an exception
7 to disclosure or limits disclosure under the open records act pursuant to
8 K.S.A. 45-221, and amendments thereto, or pursuant to any other
9 provision of law.

10 (g) A provision of law that creates or amends an exception to
11 disclosure under the open records law shall not be subject to review and
12 expiration under this act if such provision:

- 13 (1) Is required by federal law;
- 14 (2) applies solely to the legislature or to the state court system;
- 15 (3) has been reviewed and continued in existence twice by the
16 legislature; or
- 17 (4) has been reviewed and continued in existence by the legislature
18 during the 2013 legislative session and thereafter.

19 (h) (1) The legislature shall review the exception before its scheduled
20 expiration and consider as part of the review process the following:

21 (A) What specific records are affected by the exception;

22 (B) whom does the exception uniquely affect, as opposed to the
23 general public;

24 (C) what is the identifiable public purpose or goal of the exception;

25 (D) whether the information contained in the records may be obtained
26 readily by alternative means and how it may be obtained;

27 (2) an exception may be created or maintained only if it serves an
28 identifiable public purpose and may be no broader than is necessary to
29 meet the public purpose it serves. An identifiable public purpose is served
30 if the legislature finds that the purpose is sufficiently compelling to
31 override the strong public policy of open government and cannot be
32 accomplished without the exception and if the exception:

33 (A) Allows the effective and efficient administration of a
34 governmental program that would be significantly impaired without the
35 exception;

36 (B) protects information of a sensitive personal nature concerning
37 individuals, the release of such information would be defamatory to such
38 individuals or cause unwarranted damage to the good name or reputation
39 of such individuals or would jeopardize the safety of such individuals.
40 Only information that would identify the individuals may be excepted
41 under this paragraph; or

42 (C) protects information of a confidential nature concerning entities,
43 including, but not limited to, a formula, pattern, device, combination of

1 devices, or compilation of information that is used to protect or further a
2 business advantage over those who do not know or use it, if the disclosure
3 of such information would injure the affected entity in the marketplace.

4 (3) Records made before the date of the expiration of an exception
5 shall be subject to disclosure as otherwise provided by law. In deciding
6 whether the records shall be made public, the legislature shall consider
7 whether the damage or loss to persons or entities uniquely affected by the
8 exception of the type specified in paragraph (2)(B) or (2)(C) would occur
9 if the records were made public.

10 (i) (1) Exceptions contained in the following statutes as continued in
11 existence in section 2 of chapter 126 of the 2005 Session Laws of Kansas
12 and that have been reviewed and continued in existence twice by the
