

MINUTES OF THE SENATE UTILITIES COMMITTEE.

Chairman Stan Clark called the Senate Utilities Committee to order at 10:00 a.m. on March 11, 2002 at the Kansas Defense Building. The purpose of the meeting was to attend a Homeland Security Briefing on critical infrastructure relating to refineries, power plants, pipelines and energy sources put on by the US Department of Energy. (See attached invitation)

Senator Emler moved that the Senate Utilities Committee go into executive session pursuant to Joint Rule 5 (closure of meetings to consider matters relating to security) until 11:30 a.m. Senator Taddiken seconded. Motion carried.

At 10:52 a.m. the Senate Utilities Committee reconvened in open session. No action was taken. Senate Utilities Committee members in attendance were Senators Clark, Emler, Taddiken and Brownlee.

Adjournment.

Respectfully submitted,

Ann McMorris, Secretary
