

2023 Kansas Statutes

2-506. Teams, equipment and expenses of work. County commissioners may furnish sufficient help and proper teams, tools and materials other than seeds, to do the work planned by the representatives of the board of regents, and are hereby authorized to pay out of the general fund the cost of such expense and work, including traveling expenses of supervisor. The total cost to any county not to exceed fifteen hundred dollars for the first year nor five hundred dollars in any other year thereafter.

History: L. 1909, ch. 223, § 3; March 5; R.S. 1923, § 2-506.
