

2023 Kansas Statutes

2-2805. Registration of products; application; fee; requirements. Each soil amendment product shall be registered with the secretary before it is distributed in this state. Application for registration shall be submitted to the secretary, on a form prepared for that purpose, showing the information required on the label, as provided in K.S.A. 2-2804, and amendments thereto, except net weight of product. The registration fee shall be fixed by rules and regulations adopted by the secretary of agriculture for each product, except that such fee shall not exceed \$100 for each product. The soil amendment product registration fee in effect on the day preceding the effective date of this act shall continue in effect until the secretary of agriculture adopts rules and regulations fixing a different fee therefor under this section. All registrations shall expire on December 31 of the year in which such soil amendment product is registered. The applicant shall submit with the application for registration a copy of the label and a copy of all advertisements, brochures, posters and television and radio announcements to be used in promoting the sale of the soil amendment.
