

2023 Kansas Statutes

9-537. Same; review of operations by commissioner; additional information. The commissioner at any time may review the activities of any bank holding company with a subsidiary bank in Kansas and its subsidiary banks to determine if the proposals of the company as stated in the information provided pursuant to K.S.A. 9-533, and amendments thereto, are being fulfilled. The commissioner may require the company and such banks to furnish such additional information as the commissioner finds necessary to make such determination.

History: L. 1991, ch. 45, § 9; L. 1995, ch. 79, § 8; September 29.
