

2023 Kansas Statutes

12-858. Same; revenues. Upon the establishment of the water and sewage system the current operating funds of or budgeted for the two systems shall be transferred to a "water and sewage fund" and thereafter all revenue collected for such water and sewage system shall be credited to such fund for the use of such water and sewage system.

History: L. 1953, ch. 72, § 3; June 30.
