

2023 Kansas Statutes

12-1682. Establishment of operation independently or in cooperation; limitation; delegation of operation to board. Any city or school district may establish or operate a community historical museum independently or may cooperate in its establishment and in its operation in any manner mutually agreed upon, or may delegate the operation of the system to a museum board created by either or both of them: Provided, however, No community museum shall be established or operated by both the city and school district each acting independently of the other which are located all or in part in the same county.

History: L. 1974, ch. 53, § 2; July 1.
