

2023 Kansas Statutes

12-4804. Collection and disposition of taxes; verification of needs to city or county treasurer. The tax levy referred to in K.S.A. 12-4801 shall be made at the same time that other city or county taxes are levied and shall be certified and collected in the same manner and remain in the hands of the city or county treasurer and be paid by said city or county treasurer to the duly authorized treasurer or other officer or officers of the association or corporation maintaining said child care center or other facility from month to month as needs may require, upon written application by such officer or officers, which application shall contain a statement of the amount needed and shall be duly verified.

History: L. 1975, ch. 51, § 4; July 1.
