

2023 Kansas Statutes

17-1910. Telegraph stations at county seats. That every telegraph company or other corporation operating a telegraph line through the corporate limits of any county seat in Kansas is hereby required to establish and maintain a telegraph station at such county seat, with the usual facilities and appointments for the convenience of the public in sending telegrams during the business hours of each day.

History: L. 1893, ch. 152, § 1; May 18; R.S. 1923, 17-1910.
