17-1915. Application for permits; fees. All applications for permits required under K.S.A. 17-1914, and amendments thereto, shall be made to the county clerk of the county in which the property to be moved is located. If such property is located within the limits of an incorporated city, such application shall be made to the city clerk of the city. Such application shall state whether it will be necessary to cut and move, raise, or in any way interfere with any wires, cables, or other aerial equipment of any public or municipally owned utility, and if so, the application also shall state the name of such public or municipally owned utility, and the time and location that the applicant's moving operations shall necessitate the cutting, moving, raising or otherwise interfering with such aerial facilities. The county clerk or city clerk, as the case may be, shall issue a permit upon such application and payment of a permit fee. Such fee shall be in an amount as deemed reasonable by the governing body of each city or county. Fees collected hereunder shall be deposited in the city or county treasury as the case may be.
