19-2660. Refuse disposal facility; operation; contracts with political subdivisions. The board of county commissioners of any county establishing a refuse disposal facility under the provisions of this act may provide for the employment of necessary employees and may provide for the operation of such facility independently of or in connection with an existing department. The board may establish reasonable rules and regulations governing the disposal of refuse at such county facility and may contract with any other political subdivision of the state authorized to collect refuse, for the disposal of the same in the county's refuse disposal facility upon such terms and conditions as shall be agreed upon by the board of county commissioners and the governing body of the contracting political subdivision.
