

2023 Kansas Statutes

19-27,187. Apportionment of costs. (a) The county, upon a 4/5 vote of the governing body, may pay such portion of the cost of the improvement as the governing body may determine, but not more than 95% of the total cost thereof.

(b) If any property deemed benefited, by reason of any provision of law, shall be exempt from payment of special assessments therefor, such assessment shall be computed and shall be paid by the county at large.

History: L. 1991, ch. 51, § 7; April 25.
