

2023 Kansas Statutes

20-320. Duties of chief justice; records and report. The chief justice shall analyze and study such reports as are submitted to him and promptly submit a summary thereof, and the recommendations of the judicial departments and judicial administrators, and shall cause a copy of all recommendations to be filed as public record in the office of the clerk of the supreme court and shall, at the beginning of every legislative session, submit a written report to the governor of the state, and to the judiciary committees of both houses of the legislature.

History: L. 1965, ch. 215, § 3; June 30.
