

2023 Kansas Statutes

24-497. Same; limitations. This act shall not be construed as authorizing any board of directors of any drainage district to expend from its general fund in any calendar year more money than is procured by taxation for its general fund for said year, nor as authorizing any board of directors of any drainage district to make any levy for taxation for raising money for its general fund in excess of the present limit of levy for such purpose.

History: L. 1945, ch. 199, § 3; June 28.
