

2023 Kansas Statutes

38-321. Administration of program of adoption support; rules and regulations. The secretary is hereby authorized and directed to adopt such rules and regulations as may be necessary to assist in the administration of the program of adoption support authorized by this act. The regulations adopted pursuant to this act also shall provide for the periodic review of the amount and continued eligibility for such adoption support sufficient to protect the interest of the child, the family and the public, and shall provide for appeal procedures.

History: L. 1972, ch. 162, § 3; L. 1974, ch. 175, § 2; July 1.
