

2023 Kansas Statutes

39-1612. Act does not require mental health centers to make expenditures not approved by governing board of center. Nothing in the mental health reform act shall authorize the secretary or the Kansas department for aging and disability services to require that mental health centers make expenditures other than expenditures approved for the mental health center by the governing board of the center.

History: L. 1990, ch. 92, § 12; L. 2014, ch. 115, § 179; July 1.
