

2023 Kansas Statutes

44-805. Filing copy of constitution and bylaws and amendments. Every labor organization desiring to operate in or which has a business agent operating in the state of Kansas shall, before doing so, file a copy of its constitution and bylaws with the secretary of state, but this provision shall not be construed to require the filing of any secret ritual relating solely to the initiation or reception of members. All changes or amendments to the constitution or bylaws adopted subsequent to their original filing must be filed with the secretary of state within thirty (30) days after the adoption thereof.
