

2023 Kansas Statutes

48-515. Compensation of members. Whenever the state guard, or any portion thereof, is called into the active military service of the state, the officers and enlisted persons shall receive the same rate of pay as is provided for officers and enlisted persons of like grades in the army of the United States.

History: L. 1941, ch. 276, § 1; April 9.
