

2023 Kansas Statutes

65-1696. State board of pharmacy; fingerprinting and criminal history. (a) As part of an original application for or reinstatement of any license, registration, permit or certificate or in connection with any investigation of any holder of a license, registration, permit or certificate, the state board of pharmacy may require a person to be fingerprinted and submit to a state and national criminal history record check. The fingerprints shall be used to identify the person and to determine whether the person has a record of criminal history in this state or other jurisdiction. The state board of pharmacy is authorized to submit the fingerprints to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check. The state board of pharmacy may use the information obtained from fingerprinting and the criminal history for purposes of verifying the identification of the person and in the official determination of the qualifications and fitness of the person to be issued or to maintain a license, registration, permit or certificate.

(b) Local and state law enforcement officers and agencies shall assist the state board of pharmacy in taking and processing of fingerprints of applicants for and holders of any license, registration, permit or certificate and shall release all records of adult convictions and nonconvictions and adult convictions or adjudications of another state or country to the state board of pharmacy.

(c) The state board of pharmacy may fix and collect a fee as may be required by the board in an amount equal to the cost of fingerprinting and the criminal history record check. Any moneys collected under this subsection shall be deposited in the state treasury and credited to the pharmacy fee fund. The board of pharmacy shall remit all moneys received by or for it from fees, charges or penalties to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the pharmacy fee fund.

(d) This section shall be part of and supplemental to the pharmacy act of the state of Kansas.
