

2023 Kansas Statutes

65-2825. Accredited schools; list. The board shall prepare and keep up to date a list of accredited healing arts schools, but no school shall be accredited without the formal action of the board. Any such school whose graduates or students desire to take the examination in this state shall supply the board with the necessary data to allow it to determine whether such school should be accredited.

History: L. 1957, ch. 343, § 25; July 1.
