

2023 Kansas Statutes

65-5507. Examinations. (a) Each applicant for licensure under this act shall be examined by a written examination chosen by the board to test the applicant's knowledge of the basic and clinical sciences relating to respiratory therapy, and respiratory therapy theory and practice, including the applicant's professional skills and judgment in the utilization of respiratory therapy techniques and methods, and such other subjects as the board may deem useful to determine the applicant's fitness to practice.

(b) Applicants for licensure shall be examined at a time and place and under such supervision as the board may determine. Examinations shall be given at least twice each year at such places as the board may determine and the board shall give or cause to be given reasonable public notice of such examinations at least 60 days prior to their administration.

(c) Applicants may obtain their examination scores.
