

2023 Kansas Statutes

72-1082. Plan of change; contents. Any board desiring to change its method of election or its voting plan, or both, shall first prepare a plan of change showing the following:

- (a) The territory, numbering and estimated population of each of the proposed member districts into which the school district will be divided, unless the proposed method is election at large.
- (b) The territory, numbering and estimated population of each of the existing member districts of the school district, unless the existing method is election at large.
- (c) The proposed voting plan.
- (d) The existing voting plan.

History: L. 1968, ch. 59, § 14; L. 1977, ch. 256, § 2; July 1.
