72-1178. School activity funds. (a) The board of education of any school district may authorize, by separate resolutions, the establishment of school activity funds from which to make needed expenditures for the payment of expenses attributable to activities in which pupils of the district may participate directly or indirectly. Every such resolution shall specify the general purpose for which the fund is to be established and shall authorize an employee of the school district to administer the fund.

(b) The employee authorized to administer any school activity fund established by any resolution provided for in this section shall keep a record of all receipts and expenditures from the fund, and shall, from time to time, and at the end of each school year, prepare a statement for the board of education showing all receipts, expenditures, and the balance in the fund. The fund shall be kept separate from all other funds and be used only for authorized expenditures, and itemized receipts shall be taken for each expenditure.

(c) All moneys received from the sale of admissions to activities which the school district sponsors shall be credited to school activity funds in accordance with policies and procedures adopted by the board of education. Such moneys shall not be considered to be moneys of the school district for the purposes of K.S.A. 72-1136, and amendments thereto.

(d) The provisions of K.S.A. 12-105b, and amendments thereto, shall not apply to claims against any school activity fund established by any resolution provided for in this section.

(e) As used in this section, the term "activities" means activities, events, and competitions in such fields as athletics, music, forensics, and dramatics, and other interschool or intraschool extracurricular activities in which pupils may participate directly or indirectly.
