

2023 Kansas Statutes

74-32,243. Administration of act; rules and regulations; duties of state board of regents. (a) The board of regents shall adopt rules and regulations for administration of the provisions of this act and shall:

- (1) Publicize procedures for application for Kansas honors scholarships;
- (2) provide application forms and forms for determining financial need;
- (3) determine residence, as provided by law, of applicants for Kansas honors scholarships;
- (4) determine financial need through evaluation of a completed financial needs analysis statement and upon the basis of the accepted criteria of a nationally recognized financial needs analysis agency;
- (5) define tuition and required fees for honors or gifted programs;
- (6) determine the average amount of the total tuition and required fees of students who are residents of Kansas and who are enrolled at the state universities in an educational program for five hours of college credit;
- (7) determine eligibility of applicants for Kansas honors scholarships;
- (8) notify each person who is eligible for the award of a Kansas honors scholarship;
- (9) approve and award Kansas honors scholarships; and
- (10) evaluate the Kansas honors scholarship program for each year and make a report thereon to the governor and the legislature.

(b) The board of regents may use a portion, not to exceed 1%, of the amount appropriated each year for the state scholarship program to pay Kansas honors scholarships. If such amount is insufficient in any year to pay all Kansas honors scholarships in full, the board of regents may provide for apportionment of Kansas honors scholarships among the Kansas honor students eligible therefor.

(c) The board of regents may require any institution of postsecondary education to furnish promptly any information which the board of regents requests relating to administration or effect of this act.
