

2023 Kansas Statutes

74-3902. Witnesses and testimony. The board shall have authority to, and any district court may, upon application of such board, issue an order to compel the attendance and testimony of witnesses at any hearing before such board and compelling the production of books, papers, records or other evidence. Witnesses subpoenaed by the board shall receive the same fees and mileage allowed witnesses in the district court and the same shall be paid as other expenses incurred under this act.

History: L. 1941, ch. 348, § 9; June 30.
