

2023 Kansas Statutes

74-5062. Same; review of allocation; assistance of advisory committee. The secretary, from time to time, shall review and evaluate the use of and demand for allocations of the state ceiling for issuance of private activity bonds and may utilize an advisory committee to assist in the determination of such allocations. If it appears to the secretary that the allocation of the state ceiling pursuant to the provisions of this act should be revised, the secretary shall recommend to the governor and the legislature an alternative method for allocation of the state ceiling.
