

2023 Kansas Statutes

74-5353. Compact privilege fee; rules and regulations. The board may assess a fee at the time of licensure or license renewal for any person seeking compact privilege to practice under the psychology interjurisdictional compact whose home state is Kansas, in addition to any other fees authorized by law for licensure, not to exceed \$25. The board shall adopt rules and regulations to establish the amount of such fee.
History: L. 2021, ch. 100, § 1; July 1.
