

2023 Kansas Statutes

75-102. Messages to legislature. The governor shall communicate to every session of the legislature, by message, the condition of the state, and recommend such measures as the governor may deem expedient; and to each regular session of the legislature the governor shall transmit the reports of all the state officers and of the officers of all educational, charitable and penal institutions required by law to be made to him or her.

History: L. 1879, ch. 166, § 4; March 20; R.S. 1923, 75-102.
