

2023 Kansas Statutes

75-2132. Same; requirements by secretary of administration. The secretary of administration may, as a prerequisite to the approval of any such easement, make such requirements as are in the discretion of the secretary necessary to safeguard the public interest and to protect the use, present or future, of such state lands, together with any improvements thereon.

History: L. 1955, ch. 298, § 3; L. 1972, ch. 332, § 49; L. 1978, ch. 336, § 22; July 1.
