

2023 Kansas Statutes

75-2803. Manner of ruling tract books; matters shown on record. Said tract books shall be ruled in a manner similar to those used in United States land offices, so as to record each tract by its smallest legal subdivision, its section, township and range, to whom sold and when, the price per acre, to whom patented and when.

History: L. 1876, ch. 131, § 3; March 10; R.S. 1923, 75-2803.
