

2023 Kansas Statutes

75-4511. Central mail services; "state agency"; when service not applicable. As used in this act "state agency" means only those state agencies whose offices are located in Shawnee county, but does not include the supreme court or any justice or officer thereof nor offices located in the Shawnee county courthouse. Notwithstanding the foregoing, the secretary of administration may determine that central mail service shall not apply to all or part of any particular agencies providing other more suitable arrangements for mail service are available.
