Whenever any taxing subdivision or municipality of the state of Kansas is the owner of real estate against which special assessments are levied by any other taxing subdivision or municipality to pay for public improvements benefiting such real estate, the governing body or officer authorized to levy taxes for the taxing subdivision or municipality owning such real estate shall have authority to make such levies as may be necessary to provide funds to pay such special assessments against its property, and interest thereon, and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county and the proceeds thereof shall be placed in a special assessment fund.
